# Cover Letter

Dear Hiring Manager,

I am writing to apply for the Web Developer position at Villanova University. As a web developer with experience designing and developing external enterprise websites, I am confident in my ability to contribute to your team and support the University's mission.
I have experience working with full-stack development tools such as Java, JavaScript, HTML5, and CSS. I am familiar with best practices for UX/UI design, digital accessibility, SEO, and web development, and have experience migrating between DEV, QA, and PROD environments. I also have experience working with Google Analytics and Google Tag Manager.

I have outstanding interpersonal communication and writing skills, strong problem-solving skills, and excellent analytical skills. I am a motivated self-starter and able to work independently or as part of a team. I have a Bachelor's degree in Computer Science and am willing to learn new technologies and skills as needed.

I understand that Villanova is a Catholic university sponsored by the Augustinian order and values diversity and inclusion. As someone who respects and can contribute to these values, I am excited for the opportunity to work with your team.
Thank you for considering my application. I look forward to the opportunity to further discuss my qualifications with you.

Sincerely,
Patrick Meehan
